*You were a blessing to us all, you were a special child.
And we're so glad God sent you to be with us for a while.
You filled our home with happiness and made our life complete.
The time we had with you was far too short, but oh so sweet.*

*Some things we don't find easy to accept or understand...
Till we realize they're part of our creator's plan.
Now it comforts us to know you're with the angels up above.
While in our hearts we hold you close surrounded always by your love.*

*And now that you're in heaven we who are left behind
Must realize God loves children, angels are hard to find.*

God's Garden

God looked around His garden

And found an empty place.

He then looked down upon the earth

And saw your tired face.

He put his arms around you

And lifted you to rest.

God's garden must be beautiful

He always takes the best.

He saw the road was getting rough

And the hills were hard to climb,

So He closed your weary eyelids

And whispered "Peace be thine".

It broke our hearts to lose you

But you didn't go alone,

For part of us went with you

The day God called you home.
